

You spend your time helping students prepare for a successful future—CTA wants to help you plan for yours.

Your CalSTRS pension will cover about half of what you will need to live on in retirement. To help make up the difference CTA has created a high-quality supplemental retirement savings plan.

The CTA 403(b) Retirement Savings Plan offers:

High-quality investment options

Low fees

No conflicts of interest

Follows fiduciary standards

No surrender fees or commissions
