“Using Access has allowed my family and I to experience amazing hotels without breaking the bank. We recently went to Las Vegas and stayed at the Palazzo, a hotel I would normally not choose due to their rates. Access made that hotel affordable, and we had such a great time that my husband and I returned to celebrate our anniversary. Access also provided great deals on entertainment and activities for us to do and our days were packed with adventures. I only use Access now, to book our new adventures.”

My eyes were filled with tears and my mind was full of love and joy when I received notice that I would be getting the $1500 grant. Those several months were a whirlwind for me, a retiree.

I can’t tell you how much it meant to me. Being out of my home for almost a month was costly both monetarily, and also in body, mind and spirit. This life changing event made me realize the importance of giving and sharing. Most of my neighbor’s homes all burned, and they say the angels saved me. Who knows?

Thank you from the Bottom of My heart, ♥️”

My vehicle was hit in the parking lot at school. I contacted California Casualty and the representative referred me to one of their recommended body shops for a seamless transaction of both repair and auto rental. It was quick and easy, and since the accident occurred on school grounds, there was no deductible! Thank you, California Casualty, for coming through for me!"

WARNING

If you have a Flex Plan (Section 125), providers may try to steer you towards products not endorsed by CTA. Please be sure to compare coverage, premiums and policies to the CTA-endorsed plan before making a selection.

Also, many districts have hired a third-party administrator (TPA) to administer their 403(b) plan. Sometimes the TPA is affiliated with a 403(b) vendor. This can create a conflict of interest if the third-party administrator is influencing the list of approved vendors available to you. Be sure to check out all your investment options, including the CTA Retirement Savings Plan, before making a decision.
